Sunrise Columbarium and Memorial Garden: How Much Will a Niche Cost?

According to columbarium companies and churches in our area, most churches pay for their columbarium and garden by the presale of niches and donations. The cost of a niche depends on the cost to build and maintain the columbarium and garden, and the amount of the donations. A committee will be formed to select a company to build the columbarium, supervise the installation, write the rules and regulations, and determine the cost of niches and plaques. The cost of a double niche (holds 2 urns) is usually less than \$5,000, which is a fraction of the cost of inground burial. For additional information contact Ida Havelka at ihavelka@comcast.net or at 843-412-1884. Contact Bob Havelka at rhavelka@comcast.net or at 843-412-1908.

Elder Nomination forms are in the Narthex. Please complete the nomination form and drop it into the offering plate or mail it to the church. You may suggest the name of any member, including yourself. Thank you!
